## Tuscan

Suits any house style from ultra modern to federation

- Exclusive modern wall design only available to Zodiac customers.
- Using locally manufactured Colorbond™ walls (See Note).
- Stylish wide bull-nose top decks ribbed for added strength, safety and eye-catching appeal.
- Superior design using “Driclad Pool Technology” state of the art braceless and braced modular structure with optional deepends.
- Available in Round, Oval or Spacesaver models with 1.32 metre high walls.
- Two different liner choices and 14 sizes to suit your preferences.
- A 20 year pro rata warranty on all structural components is supported by Australia’s experienced dealer network for ongoing after sales service and assistance, backed by Zodiac commitment to customer satisfaction.
- Optional packages with Nature2 Purifying system, pH Easy and automatic pool cleaner available.
- Optional choice of ladder or internal steps to suit both above and inground installation.

**All Zodiac pools with resin or steel structures have engineering approval for inground installation and local council plans for approval.**

Zodiac Above Ground Pools use durable galvanised Colorbond™ supplied by BlueScope – specifically developed for Australian conditions to weather and last for years in all kinds of climates from hot dry to humid sea air.
